

High Forest Ranch Community Lodge Reservation and Usage Agreement

Lodge Rules and Use:

The lodge is a commonly owned area and a wonderful asset to our community. All residents/lot owners are expected to abide by the rules set forth in this Reservation and Usage Agreement as well as take pride in and assume responsibility for the appearance and condition of the lodge. The HOA Board of Directors reserves the right to deny usage to any resident/owner who is not in good standing (**must be in good standing at the time your reservation is made and on the date of your reservation**).

The lodge is a smoke-free area. Smoking in the lodge, portico, play area, sport court, field, deck or patio is strictly prohibited.

When using the lodge, you have access to the surrounding area to include the parking lot, play equipment, sports court and/or field. However, the field and sports court need to be identified on your reservation form if you will be in need of these areas. Some areas in and around the lodge may be restricted from access or use. A fine of \$200 will be assessed if any attempt is made to use an unauthorized area.

The resident/lot owner must be present at the event/function they are hosting and are responsible for the personal conduct, safety and welfare of their guests while on the premises. Children under 18 years of age are not allowed to be in the lodge, unless accompanied by an adult.

Residents/lot owners shall agree to be fully responsible for all damages, costs and expenses associated with their use of the lodge. This includes but is not limited to careless misuse, vandalism, unreasonable conduct or theft.

The HOA is not responsible for any materials or equipment brought in or used for your event, and is subject to an additional cost for any damages caused. These items include, but are not limited to, tents, inflatable, petting zoos and pony rides.

In consideration for the adjacent properties, fire hazards as well as the wear and tear on the lodge, the maximum capacity has been set at 60 persons **for all private functions**.

Parking of vehicles for an event must either be confined to the lodge parking lot or parked elsewhere (for example: your own driveway, out of community, neighbors driveway) where they can either walk or be shuttled to/from the lodge.

Parking of vehicles for an event must either be confined to the lodge parking lot or parked elsewhere (for example, your own or neighbors driveway) where individuals can either walk or be shuttled to and from the lodge. This is to prevent persons from parking on bridge and adjacent grass areas. *Cars parked on the street, grass area or blocking a driveway will be charged \$25 per vehicle to be taken from the deposit of the person who reserved the lodge.* If cars are going to be parked in an area other than the lodge parking lot, a parking plan must be submitted along with your reservation form.

Any and all personal decorations and/or rental items must be removed at the conclusion of the event. The HOA is not responsible for any such items left behind.

It is strictly prohibited for a resident/lot owner to borrow and/or remove equipment, furnishings and/or supplies from the lodge. A fine of \$200 and a one-year suspension to use the lodge will be assessed.

No pets, other than service animals, are allowed inside the lodge. It is required that you keep all animals on leash and clean up after them.

Although furniture may be moved to accommodate your event, all television and stereo equipment must be left in place. All furniture and other items must be returned to their original place upon departure.

Required Deposits:

- \$100.00 Cleaning Deposit
- \$1000.00 Damage Deposit

All deposits must be made by check. Separate checks are required and need to be made out to High Forest Ranch and received by the management office no later than 30 days prior to the day you will be using the lodge. We will make every attempt to accommodate last minute reservations; however, your reservation cannot be guaranteed and a \$50.00 non-refundable fee will be charged to cover administration costs.

Once the lodge has been checked and no cleaning requirements and/or damages have been identified, your deposits will be returned.

Usage Fee and Additional Charges:

If you use the lodge more than **4 times** in a calendar year, a non-refundable usage fee of \$50.00 per event thereafter will be required. Make a separate check payable to High Forest Ranch include in the memo: Usage Fee. This fee will help defer the cost of the electricity, and wear and tear of the furniture and equipment. Community events are exempt from the usage fee.

An additional flat fee of \$50.00 will be charged for, but are not limited to, tents, inflatables, petting zoos, pony rides. **All such items must be submitted in writing to the board for prior approval.** This is a non-refundable fee and does not cover any damage caused by these items.

Following your event, the lodge must be clean and free of trash. Although we contract with a cleaning service to clean the lodge twice a month, this does not preclude the resident/lot owner from mopping the floor, vacuuming, wiping up the counters in the kitchen as well as bathrooms and toilets. If you find you can not clean up the lodge following your event prior arrangements must be made with the Association's Managing Agent to ensure the lodge is clean and ready for the next event. The resident/lot owner will be charged a fee of \$100 for this service.

If the lodge is found to be in need of additional cleaning following your event you will be notified to clean the identified areas. If you cannot be reached or another event is coming in shortly, the cost of cleaning will be deducted from your cleaning deposit. Should the cost to clean exceed the \$100 cleaning deposit the additional amount will be deducted from the required damage deposit. This policy will be strictly enforced.

For your convenience there are two large trashcans to the right of the front door as you exit; however, if they are full due to a high volume of events it is your responsibility to dispose of your own trash. Please plan accordingly.

If damage is done to the lodge and/or surrounding area, repairs will be made by the HOA. The resident/lot owner agrees to be billed and shall be liable for any and all costs. This policy will be strictly enforced.

Inclement weather: Please note that unless we have snow accumulation of four inches or more, and the snow has stopped falling, there will be no plow service. Please plan accordingly.

In consideration for the residents in and around the lodge, there is no outdoor sound equipment or live bands permitted.

A checklist will be provided with your confirmation, please be sure to take this with you when using the lodge. You could be held liable for any damage done prior. Upon departure, please leave the signed checklist in the lodge.
